STANDLEE ACQUITTED

ON ALL CHARGES

Fannish Court makes Baby Jesus cry

Captain Kevin Standlee of the WSFS Armadillo was acquitted on all charges pertaining to that vessel's hijacking by space pirates of the Plotka Cabal. The court ruled that it was "all Seth's fault."

During the course of the inquiry, the audience and participants donated US\$100 for hurricane Katrina disaster relief. Colonel Gallaher will forward the donations to the American Red Cross.

CHEAP PROTEIN FOR PROLES!

Sorta

Denny's, near Happy Teriyaki. You *can* get breakfast all day, which is very good. But at 1PM, service was very slow; the couple next to me waited half an hour to be served. Also, I wanted a cheese omelet and hash browns but my server had to write it down as "ham and cheese" because that was the Denny's combination. (*Lt. Ursula Bear, for Dantique Fielding*)

OVERHEARD

Allegedly

"Have you ever been to my house?"

"Yes, I killed the chicken!"

(In Radisson Hospitality)

"...Interthyngye 3..." - Vince Docherty.

(Later, he was heard to refer to

"Interthyngye one through five")

"That's what makes it fun, like dental work!"

(at LACon IV party)

"The photocopier is Buddhist, in its five-fold path."

(in FaxCascadia suite)

COMIC BIOGRAPHY THEATRE

Star in your own comic book story! It's simple; just come to the Comic Biography Theatre table in the Convention Centre's Artist Alley, pick up an entry form, and write down a short, interesting, and *true* event from your life. If your entry is chosen by one of the CBT artists, it'll be drawn as a comic book story and posted on the Comic Biography Theatre website!

THE SWANK COCKTAIL

Remember: A Good Martini is a Poodletarian Right!

The Swank Cocktail:

Take one shot tequila (gold), add a spritz of lime, and two (2) olives. Serve In a martini glass.

It goes without saying that only the best tequila should be used.

FaxCascadia is the twice-or-so daily newsletter of CascadiaCon, the 2005 NASFiC. Our offices are in 2210 and 2212, or just follow the screaming. Morning edition deadline is 11pm the night before; afternoon is 2pm the afternoon of, but if you're nice and bring us some smack, maybe we can make it 'till morning. Also, I need a hug.
